Chief Executive Officer

## Quality Policy

At **Guj Info Petro Limited**, quality is the foundation of our success and sustainability. We are committed to achieving and enhancing **customer satisfaction** by consistently delivering products and services that meet or exceed customer requirements, regulatory obligations, and industry standards.

- **Customer Focus:** Customer satisfaction is our highest priority. We strive to understand customer needs and deliver solutions that are reliable, competitively priced, professionally executed, and delivered on time.
- **Compliance & Standards:** We ensure adherence to applicable statutory, regulatory, and contractual requirements in all our operations.
- **Continual Improvement:** We foster a culture of excellence by continually improving our processes, products, and services through innovation, risk-based thinking, and performance evaluation.
- **Employee Commitment:** Every member of our organization is empowered and responsible for contributing to quality objectives, ensuring competence, and upholding integrity in all actions.
- **Leadership & Accountability:** Our leadership is committed to providing resources, guidance, and accountability to maintain an effective Quality Management System (QMS) aligned with ISO 9001:2015.
- **Partnerships & Sustainability:** We build long-term relationships with stakeholders, suppliers, and partners to create value and ensure sustainable growth.

Through this policy, we affirm our dedication to **quality excellence, continual improvement, and customer trust**, ensuring Guj Info Petro Limited remains a benchmark for reliability and innovation.
